Dancers get rockin' and rollin'

THEY were rockin' and rollin' in Albany last weekend when a swing dance workshop was held.

Organised by keen local dancers, the Simply Swing dance school workshops took participants through the basic steps of swing dancing over more than five hours on Saturday and Sunday.

Dances included the double turn-out, lindy circle and jonnies drop and the more adventurous forward pop.

Based in Rockingham, Simply Swing performed at a recent Jazz Masala event at The Dome creating great enthusiasm from locals keen to have a go.
